T0: APPLICANTS FOR POOL PERMITS THE TOWN OF COEYMANS

FROM: BUILDING DEPARTMENT TOWN OF COEYMANS

The pool permit application must be completed and submitted to this office with a plot plan showing the location of the pool and all setbacks from all property lines. All questions must be answered. The contractor in charge of installing your pool must submit a Certificate of Insurance.

When your pool is installed please call for a final inspection. A Certificate of Compliance will be issued by the building department when the following items are completed: a successful electrical inspection of the filter hook-up assembly by a third party electrical inspection agency; as well as a final inspection of the pool by the Building Department

No one shall at any time swim in the pool until this department completes a final inspection and issues a Certificate of Compliance. Failure to comply can result in fines and court proceedings.
