Correspondence

Sam Zhou, Assistant Commissioner for Operations and Asset Management, NYSDOT – Councilman Dolan read a letter from Mr. Sam Zhou of NYS DOT who has recently taken a promotion and will no longer be the Regional Director for the Capital District Region. He thanked Supervisor Crandall for his support and let him know that Patrick Barnes, P.E. will serve as the Acting Director and would be the new point of contact.

The Town Board discussed how much Sam Zhou had helped them and how he had been instrumental in getting this current repaving project done. Councilman Youmans suggested sending a letter of congratulations and thanks. Councilman Dolan spoke about how Mr. Zhou had told them there were roads much worse off in the state, but when they made a "human appeal" to him about the state of the road and sidewalks on Route 144 he realized the work needed to be done and made sure it was accomplished this past year.

Public Announcements

Town Hall Closed – Supervisor Crandall stated that Town Hall would be closed on November 12th in observance of Veteran's Day and on November 22nd and 23rd for Thanksgiving.

Village Tree Lighting and Parade – Councilman Youmans read an invitation from the Village. The Village has invited everyone to the annual Christmas Parade and Tree Lighting which will be held on December 8, 2018. It will begin at 6pm at Coeymans Landing with the lighting of the Town tree followed by a parade up to the Village of Ravena tree for its lighting. This will be followed by treats and a visit from Santa in the Ravena Firehouse. There will also be activities at the Ravena Firehouse for the children in the afternoon.

There was discussion among the Town Board members about past parades.

Veteran's Day Ceremony – Councilman Dolan announced that the Veteran's Day Ceremony would be Monday, November 12th at 11am down at Coeymans Landing.

Public Comment Period

Supervisor Crandall opened the floor for Public Comment.

Virginia Pearson stood and asked about the deer weathervane that was on the Gazebo that came down in a storm. She had donated it when the Gazebo was built and had been told by Mr. Arnold, the Parks and Maintenance Supervisor, that it was beyond repair and was wondering if the Town Board was interested in replacing it.

The Town Board discussed different options and themes, mostly nautical or nature related. The one spoken of most favorably was an eagle. Supervisor Crandall stated that he would talk with Mr. Arnold to see what needed to be done about replacing it. Councilman Dolan said that he believed the Neighborhood Association would be interested in participating in this.

Supervisor's Budget Message

Our town was served this year with (6) article 7 court proceedings filed against the Town by The City of Albany and the Albany Water Board. These are proceedings where the town is taken to court over tax assessments which in turn resulted in our town losing approximately *sixteen million dollars* in assessed value. We were also forced by the court to reimburse both The Albany Water Board and the City of Albany large sums of money for being over assessed. Ultimately this will result in a small tax increase for 2019; however, we will still remain under the state tax cap.

Our cash flow is being controlled, our bills are being paid on time, and the Town is in better shape than when I first took office. We must continue these good fiscal policies and keep spending under control or we could easily fall back into financial difficulty.

We have had a small increase in business growth and home building to help ease future tax burdens. The Town and the Village have completed work on a Waste Water Treatment Plant project that will also help increase business and home building in the Town and the Village.

I have worked hard with the Department of Transportation. They have repaved route 144, and are presently working on water line replacements and new sidewalks. They are also repaving the remainder of Route 144 down through the Hamlet to the Greene County Line. Once that has been completed, we will have successfully paved Route 144 in its entirety. I was able to reach an agreement with DOT to repave Route 143 through the village to Martins Hill. Altogether, the Town Board and I have overseen the largest capital construction projects that have taken place in the Town of Coeymans. These upgrades will enhance the quality of life for our residents in the Town of Coeymans.

My plans for the future are the same as they have always been, keep spending and taxes down, keep bringing responsible businesses to the Town of Coeymans, and provide services for our tax payers, all while keeping in mind that we must protect our environment now and for future generations.

Philip A. Crandall Town Supervisor
