Consistency with Community Character: no

Part 3: Evaluation of Magnitude and Importance of Project Impact and Determination of Significance: There are no significant adverse impacts on the environment; do not need Environmental Impact Statement. Negative Declaration: everything that was gone over is indicated there.

Mr. Keniry stated that these are suggested answers. The appropriate direction to take between now and the next meeting is to study them to be sure these are the Board's findings. Board members are to look at the packet. if the members have a problem, the chart keys you to the questions - you can see each of the questions by the question number.

Mr. Jeremy Kauffman provided an update on the progress with the Albany County Water Board: The Water Board agreed to the design and their water line has been labeled. The attorneys are working on a final agreement.

#### Miscellaneous:

Mr. Chmielewski stated that at the next meeting the agenda will include a Special Use permit under Local Law #9 of 2023 re fill more than two feet. Applicant filled out the application and a short EAF. This is the first time dealing with the local law. Mr. Chmielewski will provide the Board members with the information and informed them that he will not be at that meeting.

#### Adjournment

Motion was made by Mr. McGuire to adjourn the meeting; seconded by Mr. Collins; all in favor.
